

**MR. SINGISER—US HISTORY—THE NATIVE
AMERICAN CRISIS OF THE LATE 1800S**

DIRECTIONS: This is what is known as a “two-sided” essay. One of the best ways to learn an issue is to argue it from both sides. On THIS side of the sheet, write a one-page document in which you support the government’s position on the issue of Native American relations in the 1800s. On THE OTHER side of this sheet, write a one-page document in which you support the Native American’s position on the issue.
